forests - Notification under Section 12 (iii) of the
Act - Issue

Copy of letter No. 8519/49-D1 dated 12-5-1949 from the Chief Conservator of Forests, Egmore Madras, to the Secretary to Government, Development Department, Madras.

Acts and Rules--The Madras Forest Act, 1882 and the Madras Preservation of Private Forest Act, 1946--Extension to the defunct Sandur State.

Government Development Department Memorandum No.48893 Cl/49-1 dated 9th May, 1949.

Since the state is quite small and the extent of purely private forests likely to be negligible there is no need to apply the Madras Preservation of Private Forests Act at the present moment. This question may be taken up later if necessary after the conditions in the state have ~~been~~ settled down.

Sub: Acts and Rules - The Madras Forest Act, 1882
Extension to the merged area of the Sandur State.

unextracted Memo No. 48893 CI/43-1 dated 3-5-49.
 Copy at p 14 From the C.C.F. No. 3513/43-D.1 dated 12-5-49.

To A.S.

The Sandur State in the Bellary District has merged with the Madras Province with effect from 1-4-1949. - Please see G.O. Ms. 1145 Pub. (Poll) dated 27-4-49 on pp. 1-2 of (Z). The C.C.F. was asked to state whether the Madras Forest Act, 1882 and the M.P.P.F. Act, 1946 may be extended to the forests in the merged area of the Sandur State. The C.C.F. has reported that the Madras Forest Act, 1882 may be applied to the merged area of Sandur State, that the lands at the disposal of the Govt. will then be governed by the rules framed under section 26 of the Madras Forest Act, that since the state is quite small and the extent of purely private forests is likely to be negligible, there is no need to apply the M.P.P.F. Act, 1946 at the present moment and that the question may be taken up later if necessary after the conditions in the State have settled down.

A draft order with a draft notification extending the Madras Forest Act, 1882 to the merged area of Sandur State is submitted for approval.

Rev. and Pub. (Pol.) may see for acceptance and Legal for scrutiny of the draft notification.

Rev. Dept.

To A.S.

The file relates to the question of extending the Madras Forest Act, 1882 and the Madras Preservation of Private Forests Act 1946. The Dev. Dept.'s note (from page 1 above and the draft order below) may be perused. Dev. propose to extend the Madras Forest Act, 1882 to Sandur. As regards the Madras Preservation of Private Forests Act, the C.C.F. has stated that, as the state is quite small and as the extent of purely private forests will be negligible there is no need to apply the Madras Preservation of Private Forests Act at the present moment. The C.C.F. has further stated that the question may be taken up later if necessary after the conditions in the State have settled down. Dev. agree with the C.C.F. This Dep. may also agree.

2. The file may be passed on to Pub. (Poll).

Have we consulted the Board of Rev. regarding the extension of the M.P.P.F. Act, 1946 to Sandur and if so what has the Board said?

L.S.R.
 15-6-1949.

To A.S.

Submitted. The Board has not been consulted, in the matter.

2. Attention is invited to section 1(2)(iii) and (a) of the Madras Preservation of Private Forests Act, 1946 and also to para 3 of G.O. No. 1958, Revenue dated 13-8-1947. The question of applying the Madras Preservation of Private Forests Act to the Sandur State will arise only if there are pucca private forests, any waste lands containing trees and shrubs, any pasture lands or any other class of land having a contiguous area exceeding 100 acres in extent and owned by private persons which should be declared as forests for purposes of the Act. In his letter on page (3) C.F. the C.C.F. has stated

that as the State is quite small and as the extent of purely private forests is likely to be negligible, there is no need to apply the Act. It is not therefore likely that there may be pucca private forests, waste lands containing trees and shrubs, pasture lands or any other class of land having a contiguous area exceeding 100 acres which may be declared as forests under the Act. For orders whether the Collector of Bellary may be asked to report specifically on the point. Subject to orders a draft memo is submitted for approval. After issue necessary extracts of the notes may be taken and the file passed on to Pub.(Pol.)

L.S.R.
11-6-49.

(True Extracts)

Given as memo. No. 32124 H/49-1 dated 11-6-49.

To A.S.

Please see the extract of notes from p.1 above, the memo on pp.2-3 c.f. and the Board's report on p.4 c.f.

2. The provisions of Act XVIII of 1946 have since been re-enacted in Act XXVII of 1949. Legal have stated separately that as Act XXVII of 1949 became law only after the issue of the States' Merger (Governors' Provinces) Order, 1949, it applies automatically to all the three merged states of Pudukottai, Sandur and Banganapalli.

3. The question to be considered in this file now is whether any private forests in Sandur having a continuous area exceeding 100 acres should be notified under section 1(2)(iii) of Act XXVII of 1949. The Collr. of Bellary and Bd. of Rev. have recommended that the two forests mentioned at A on p.4 c.f. may be declared as forests under the provisions of the Act. The Collr. has not furnished the survey numbers of the areas. He has stated that the forest areas referred to were surveyed with Theodolite Survey and that the ~~extents~~ ^{as reported} were gathered from the Revenue Records. It is not clear, whether the areas have no survey numbers. As it seems ^{necessary} to define the areas in the notification as far as possible, the Collr. may perhaps be asked to furnish the boundaries, if survey numbers are ^{not} available.

The Collector has also not reported the description of the forests i.e. whether they are pucca forests or ^{waste} ~~was the~~ lands containing trees, etc. The Collr. may be asked to
